Virtual Houston Marathon/Half Marathon – Virtual race Jan. 8-17

- Member survey selected Jan. 17 as date for BCRR supported run
- Plan for a 6 mile course with 3 water stops, ideally at the house of a member
- Dave will volunteer
- Members only, no other clubs to limit participation
- Masks will be required when not running

Pandemic Response/Resuming Club Operations:

- Discussed location of Sunday run. Bathrooms at Running Trails Center were removed, majority of participants prefer the Tennis Center. Peter ran the Memorial Park loop last week and said it was not too crowded. Board discussed the options for start location and agreed to move to the Tennis Center. Email announcing the change will be sent to membership with a reminder of the importance of social distancing.
- Mellow Monday is meeting at Hermann park and will continue with this location for the time being.
 - Mirka suggested describing MM as a "welcome run" rather than as a "regular run" to let new runners know it's geared toward them
- Christmas Lights Run will not be held this year. Board agreed that the usual format of the run, with large groups running slowly together for extended times, was not safely distanced.
- John's Long Run will not be held this year. No one is able to safely host the event and logistics of supporting a long course would be complicated.
